Group Art Unit: 1614

April 29, 2002

Commissioner for Patents
Washington, DC 20231

STATEMENT IN SUPPORT OF FILING A
SEQUENCE LISTING UNDER 37 CFR § 1.821(f)

Sir:

A Notification of Missing Requirements (form PCT/DO/EO/905, "the Notice") has been issued in the present case. A paper copy containing the sequence listing required by 37 C.F.R. §1.821(c) for nucleotide and peptide sequences described in the specification is submitted herewith. The sequences are also hereby provided in a computer readable form on computer diskette as required by 37 C.F.R. §§ 1.821(e) and 1.824. The Applicant has been directed to provide a statement attesting that the sequences contained in the computer readable form of the sequence listing are the same as the sequences set forth in the paper copy, and that no new matter has been added.

I hereby state as required by 37 C.F.R. § 1.821(f) that the content of the paper copy of the Sequence Listing and the computer readable copy are the same. I also hereby state as required by 37 C.F.R. §1.825(a) that the substitute sheets contain no new matter.

Respectfully submitted,

Karen A. Magri
